Marcia Lindsay
Co-Owner
Elite Funeral Funding

Her Story

Marcia is a co-owner of Elite Funeral Funding Group, Inc. She started the company in 2016 with her sister, Michelle, and has not looked back since. In her line of business, she focuses on helping families by relieving the financial burden after the loss of a loved one. Marcia worked her way up the corporate ladder to Management shortly after graduating high school, but she was not fulfilled. The higher she climbed, the less time she had to spend with her family; At that time, Corporate America was not very forgiving for single parents. Working 50-60 hour weeks combined with being a full-time mom became very challenging. For Marcia, owning her own business became the only option. It allowed her to make her own schedule and do things on her terms.

Marcia's Advice to Young Women

Pursue your dreams! Fear has kept me from doing a lot of things in the past. As I got older, I realized it's better to try and fail than to never try at all. Success does not come without setbacks. Life is full of ups and downs but there is always light at the end of the tunnel. Get out there and make it happen!

Fun Fact About Elite Funeral Funding

As a minority-owned and operated company, we want to make an impact on the funeral funding industry, one that honors our history as well as fulfilling an obligation to help build and empower the communities we impact.

To feel fulfillment and have a deeper level of understanding, personally, that is the most important thing.
– Alicia Keys

Lilli Schipper
Real Estate Agent &
Broker Associate
LoKation Real Estate

Her Story

Lilli Schipper is a Hollywood native, who has been a Real Estate Agent for over 17 years. She works with both buyers and sellers, and handles houses, condos, and townhouses. She has personally sold over \$100 million in sales volume and closed over 250 transactions. Lilli makes sure her clients get her full attention and expertise. She operates as an extension of them, with constant communication and updates, guiding them through the entire process, always keeping them informed, and always having their best interests in mind to help them achieve their real estate goals.

Advice to Young Women Pursuing a Career in Real Estate

I have been a Realtor since 2004, yet I am still learning and I always keep an open mind. Industries change constantly, so it is important to keep up with information and trends. In real estate, contracts change, rules get updated, new guidelines come up, and technology is constantly evolving in our field. When I first got into real estate, I set a personal goal to get a designation or certification every year. I now have six (ABR, CRS, e-PRO, GREEN, GRI, SFR), and I still continue to take courses when I can. Sometimes the smartest thing you can say in a situation is that you don't know, because then it allows you to learn something new!

Fun Facts about Lilli

Lilli grew up in Hollywood and remains active in the community, including being a trustee member of the Greater Hollywood Chamber of Commerce, a member of the Dania Beach Chamber of Commerce, and serving on the MLS Committee for the Broward, Palm Beaches & St. Lucie Realtors Association. She is also part of the Sofar Sounds Fort Lauderdale team, sponsors the local Mental Reps Shamrock Comedy Club shows, and is a member of the Broward Center for the Performing Arts Ghost Light Society. Lilli is actively involved with the Humane Society of Broward County, serving on the Planned Giving Committee, being a member of the Legacy Club and Diamond Club, and donating a portion of each sale to the organization. She feels that whatever business you are in, get involved in your community!
